FEATURED PROGRAM:

Spencer Ohleyer
Vice-President

Spencer Ohleyer, located in SW Florida, has over 30-years of experience working in this field for several major providers in the cable and internet (broadband) industries. That

experience includes directly working with Association Boards and Managers, assessing requirements, negotiating the best possible solutions and overseeing implementation of new Fiber-Optic infrastructures. Spencer is also a licensed Realtor and Community Association Manager (CAM), giving him a strong understanding of the complex needs of multi-family communities. Spencer is focused on the latest industry trends including the importance of fiber optic Internet infrastructure, changing demands for streaming services and Smart Home applications. Being a consultant, allows Spencer to focus directly on the needs of the associations we serve to seek out the very best providers and long-term technology.

**There is no cost to Associations
for services provided by CCC!**
