Our Resident Owned Communities - Southwest Florida, Inc.

October 6, 2020

Dear Members,

We are writing you today concerning our fall 2020 schedule. After a lot of discussions and exploring the options for a safe meeting, we just can't assure attendees will be in a risk free environment . We feel that until we have an effective vaccine that has been widely distributed, OURROC cannot go back to "business as normal" and continue with the monthly meeting.

Some thought was given to ZOOM. Zoom is a great tool. If the speaker and/or hosting community know how to use Zoom to the fullest, meetings could very easily and efficiently be conducted. Some of our speakers and/or communities have the equipment but many more communities and/or individuals do not. It's not fair to give a bad presentation due to equipment problems.

So, we are cancelling all OURROC meetings until January 2021. At that time we will take a look at just where we are in relationship to COVID-19, keeping in mind that if there is a resurgence of COVID-19 in our area or conditions otherwise change, so will our plans for 2021.

Any money you have invested in your OURROC Membership will be carried over to the following season, your community will not lose out because the current situation .

Any additional COVID-19 updates we receive from Scott Gordon, Esquire, Lutz, Bobo & Telfair, P.A. will be passed on to you, as we receive them.

We greatly appreciate you being part of OURROC.

Sincerely,

Gary Mathews  
President
